

## Who funds Centre for Cities: 2017

The Centre for Cities is very grateful to all our funders for their financial support in 2017. In particular, we would like to thank Lord Sainsbury and his charitable Gatsby Foundation for their continued support, without which we would not be able to deliver our charitable objectives. Our funders are listed below. With the exception of The Gatsby Foundation, each funder contributed to a specific project designed to improve city economies. All funding listed was received in 2017 but publication may have taken place the following year.
