Great Britain	1.5	-0.9	5.1				

*February 2008 - the lowest point on the UK claimant count series - is used here as the initial measurement point to take into account the extended duration of the recession.

**The Youth claimant count rate is calculated as a percentage of all young people (Aged 16-24)

***Cities are defined as Primary Urban Areas.

Source: ONS (from Nomis on 12 June 2013)

Note: A methodological improvement means that these figures are not directly comparable to Youth JSA tables published by Centre for Cities before April 2012.
