Wakefield	2.4	4.5%	Cambridge	0.4	1.8%
Great Britain	1.7	3.8%			

*February 2008 - the lowest point on the UK claimant count series - is used here as the initial measurement point to take into account the extended duration of the recession.

**We have used data for Primary Urban Areas (PUA) - a measure of the 'built-up' area of a city, rather than individual local authority districts.
